EDUCATION

Bachelor of Computer Science, National Cheng Kung University	Expected 2026
<ul style="list-style-type: none">• Awarded Bronze Medal in 2024 ICPC Asia Taichung Regional Programming Contest• Teaching Assistant for 2 years, mentoring 400+ students in problem-solving and debugging.• Top 2% of the class; consistent A+ in Algorithms, Program Design (I & II), and Software Development.	

EXPERIENCE

Software Engineer Intern	July 2025 - Aug 2025
Trend Micro	Taipei, Taiwan
<ul style="list-style-type: none">• Developed an LLM-driven AI Agent for automated QA using LangGraph and MCP, collaborated with the DevOps department, and integrated it into GitHub Actions.• Revolutionized QA from manual scripting to data-driven testing, reducing the testing cycle from 2 weeks to 20 minutes ($\approx 100\times$ faster).• Awarded “Best Intern” by the HR Department for high-impact contributions and cross-team innovation.	
Co-founder & Full-Stack Engineer	Aug 2025 – Present
Tryzeon	Taipei, Taiwan
<ul style="list-style-type: none">• Built the product from zero to one, delivering 10K+ lines of production code and driving the transition from prototype to MVP within 3 months.• Developed all core features using Flutter and Supabase, including modular architecture design, authentication, and API orchestration.• Optimized data flow and caching layers, reducing backend queries by 45% and boosting startup speed by 1.7×.	
Infrastructure Engineer & System Administrator	Sep 2023 - Mar 2024
Zero One Technology	Taipei, Taiwan
<ul style="list-style-type: none">• Deployed a containerized online judging system using Docker and Nginx reverse proxy, ensuring high availability under burst traffic loads during contests.	

PROJECTS

Open Source CMS Contributions	December 2022
<ul style="list-style-type: none">• Refactored and containerized the CMS with Docker, enabling scalable deployments for programming contests.• Authored the first Chinese documents (8,000+ views), enabling local adoption and open-source contributions.	

COMMUNITY & LEADERSHIP

Chief Coordinator	July 2023 - Dec 2023
SITCON Hour of Code	National Cheng Kung University
<ul style="list-style-type: none">• Directed a 30-member team to deliver a hands-on coding camp for 70+ participants, fostering early programming education and collaboration.	

TECHNICAL SKILLS

Languages	C/C++, Python, Java, JS/TS, Dart (Flutter), SQL
AI & Data	LangChain, LangGraph, LLM Agents, RAG, Vector DBs
Databases	MongoDB, MySQL, PostgreSQL, SQLite, Redis
DevOps	Git, CI/CD, Docker, Kubernetes, Google Cloud, AWS, Cloudflare Workers
